

Creating Pathways to Brighter Futures

Boston Chinatown Neighborhood Center (BCNC) empowers **Asians and new immigrants** to build healthy families, achieve greater economic success, and contribute to thriving communities by providing a range of **innovative and family-centered** programs and services to more than **13,000 children, youth, and adults every year.**

After seeing that **30% of participants** came from Quincy to our Boston offices to receive services, we launched BCNC Quincy in 2014. Today, **BCNC Quincy is the #1 ranked adult education program in the South Shore.** We serve hundreds of youth with college access and leadership programs and provide Chinese immigrant families with critical support.
